Dear Lion Secretary,

Twenty-three years ago, the Little Beaver Lions Club initiated the ***District 14-N Beacon Lodge Challenge***. Thanks to your participation, the results have been overwhelming, as we have raised over \$153,500 (\$8,300.00 last year) for capital improvement projects and contributions to the General Fund for your Pennsylvania Lions Beacon Lodge Camp. Because of our prior successes, the Little Beaver Lions Club Board of Directors has voted unanimously to issue ***Beacon Lodge Challenge XXIV*** to all Lions Clubs of District 14-N.

The parameters of ***Beacon Lodge Challenge XXIV*** are the same as in previous years. For every dollar that the Lions Clubs of District 14-N donate toward the challenge, the Little Beaver Lions Club will match that amount, to \$3,000.00.

In the past 23 years, the monies we have raised have gone toward the siding project of the cabins in Children's Village, the wheelchair ramp from the Main Lodge to the swimming pool area, the stream restoration project, replacing the underground water and sanitary sewer lines throughout the camp, the new swimming pool, the new miniature golf course and contributions to the general fund to help offset the loss of our state appropriation (\$150,000.00) and a loss of \$65,000.00 because of last year's camp closing due to the COVID-19 pandemic.

If your club decides to participate in this year's challenge, please adhere to the following steps: all checks are to be made payable to the Little Beaver Lions Club with the words "*Challenge XXIV*" written in the memo line; all checks should be mailed to me, Lion Brian B. McCarl at 3214 6th Avenue, Beaver Falls, PA 15010. Please keep in mind that your donations to the Beacon Lodge Challenge are above and beyond the District 14-N Projects and the 500 Club monies.

If your club participated in previous years, we hope that you will make it twenty-four years in a row! If you haven't participated in the past, we hope that you will consider doing so this year. We thank you and look forward to your club accepting this year's challenge. PA Lions Beacon Lodge Camp, AS ALWAYS, appreciates all of the financial support received from the Lions Clubs of District 14-N.

Yours in Lionism,

Lion Brian B. McCarl, PCC
