

Greetings,

Elwood and I would like to thank you for your support and encouragement with our endeavors of becoming "puppy raisers." It has been an experience as well as a rewarding way to give back to life what is given to us.

We will be leaving in the wee hours of the morning to return Cricket to her destination and journey to becoming a leader dog. I pray all will be fine with her health so that she can become a part of the program and be a friend and help to someone worthy of her.

Cricket has been a quick study and a good dog, she has learned the commands very well that we were to teach her and has filled our days with lots of smiles and gratification.

If all works out we will be returning with a new puppy. She will be half yellow lab and half golden retriever. We have decided that this little lady will be called "Gracie"!

Just wanted to update you and let you know where we are and what is happening in the puppy world. Too bad we can't seem to find anyone else who would like to do what we are doing. Everyone seems to think that we are doing such a wonderful thing but don't want to commit to being a part of it.

Have a great day

Puppy Raisers Elwood and Bonnie Thomas

Cricket and Thomas' Great-Grandson
