To: All Lions Club Secretaries

In accordance with the White Cane manual, it is my duty to report all White Cane activities in District 14-N to the PA Lions State Office. In order to do this, I have included below the list of data needed from your club for this purpose.

Please respond with fall-winter 2011 activities prior to January 3, 2012 and if your White Cane activities occur in the spring of 2012, please send your report by April 5, 2012.

You can relay this information either by US mail to my address, by phone or by email (all listed above).

Any club that does not hold a White Cane event should notify me to that effect.

Thank you for your attention to this.
