

Providing physical activity and promoting a life of wellness for individuals who are blind or visually impaired

**Our Mission:**

To provide sport and physical activity opportunities for individuals who are blind or visually impaired

**How We Help:**

- Increase sport, physical activity, and recreational opportunities to the participants and their families through camps, clinics, and events
- Improve the health, wellness, and independence of the participants
- Increase the awareness and knowledge of blind sports and activities

**Our Programs:**

- Summer Week-Long Sports Camp
- Sport Clinics
- Outdoor Adventures
- Educational Support
